Slimming, Detoxifying, Draining

SANYSAUN

Snell System

Slimming method
without operator

MADE IN ITALY

www.becchisline.com

HOW DOES IT WORK?

Treatment that uses the heating of the whole body to **promote vasodilation** and therefore also a correct venous-lymphatic flow.

Thanks to the heat, which penetrates the adipose tissue, the treatment causes intense sweating, **thus facilitating the drainage of liquids and toxins**. Furthermore, the metabolism remains increased for about 2/3 days.

This is why constant use of the Sanysaun allows you to lose **weight, fluids and toxins**.

YOU CAN USE IT AS
